Subject: Application to Contest Late Fee Submission Due to Miscommunication

Respected Sir/Madam,

I, [Your Name], a student of Class/Grade [Your Class/Grade] in your esteemed institution, kindly request your attention towards a matter concerning late fee submission. I have been charged with a late fee for my tuition fee submission, even though I was under the impression that the original deadline was extended.

Unfortunately, there was a miscommunication about the extension of the tuition fee submission deadline. I understood that the deadline was extended by a week due to prevailing circumstances, and hence, I submitted the fee on [Date of Submission]. However, I was recently informed that the extension was applicable only for a specific group of students, and I was not among them.

The miscommunication has led to my submission being considered late, and subsequently, I have been charged with a late fee. This charge has put an additional financial burden on my family, which is already struggling to manage expenses during this challenging time.

In light of the above-mentioned circumstances, I kindly request you to consider my situation and waive off the late fee charge. I understand the importance of meeting deadlines and assure you that such a mistake will not be repeated in the future.

Thanking you in anticipation of your understanding and favorable action in this matter.

Yours sincerely,
