Respected Sir/Madam,

I, [Your Name], am a student of Class [Your Class and Section] of your esteemed institution. I am writing this application to bring to your attention the need for additional subject teacher support in [Subject Name] for our class.

Our current teacher, [Teacher's Name], is undoubtedly knowledgeable and experienced, but we are facing difficulty in understanding and grasping the concepts he/she teaches. This will not only improve our academic performance but also help us develop a better interest and understanding of [Subject Name].

Respected Sir/Madam,

I, [Your Name], parent/guardian of [Child's Name], studying in class [Class and Section] in your esteemed institution, am writing this application to request a change in the language teacher for my child to enhance their learning experience with a native speaker.

Although the current language teacher is highly qualified and dedicated to their job, I believe that learning from a native speaker of the language would provide my child with an opportunity to grasp the nuances and accent of the language more effectively. This would help my child to develop their language skills at a higher level and understand the culture associated with the language better.

I kindly request you to consider my application and help my child by allowing them to be taught by a native speaker for the language subject. I am confident that this change will greatly benefit my child's linguistic abilities and their overall academic performance.

Thank you for your time and consideration. I am looking forward to your positive response in this matter.
