Subject: Application for Subject Change in Class 11 Due to Career Goals Shift

Respected Sir/Madam,

I, [Your Name], a student of Class 11 (Section [Section]), am writing this application to request a change in my subjects due to a shift in my career goals. I am currently enrolled in the Science stream with the subjects Physics, Chemistry, Mathematics, and Biology. However, after deep introspection and discussion with my parents and career counselor, I have realized that my true inclination lies in the Commerce field.

Therefore, I kindly request you to allow me to switch my current subjects to the Commerce stream, with the subjects Accountancy, Business Studies, Economics, and Mathematics. I am confident that this change will allow me to pursue my desired career path and achieve academic success.

I understand that the decision to change subjects at this stage may have academic implications, but I am willing to put in extra effort and time to make up for the missed classes and coursework. I assure you that I will work diligently and responsibly to cope with the new subjects and maintain good academic performance.

I hope you will consider my request favorably and grant me the opportunity to pursue my true interests. I would be highly obliged for your support and understanding in this matter.

Thanking you in advance.
