Respected Sir/Madam,

I hope this letter finds you in the best of health and spirits. I am writing on behalf of my son/daughter, [Child's Full Name], who is a student in the [Class/Grade] of your esteemed institution.

My child has recently been unwell due to a severe bout of fever. He/She has been under the care of a doctor who has advised rest for a few more days for complete recovery. Although the fever has subsided, the doctor suggests that the recovery period is crucial for regaining strength and preventing relapse.

Considering the doctor's advice, I kindly request you to grant [Child's First Name] leave from school for [Number of Days] starting from [Start Date]. This time will ensure proper rest and recuperation, allowing him/her to return to school fully recovered and ready to participate in all activities.

I assure you that once he/she is fit to attend, we will make sure that he/she catches up on all missed assignments and coursework without affecting the academic progress.

Attached with this letter are the medical certificates and doctor's advice for your reference.

Respected Madam/Sir,

I, [Your Name], am a student of class [Your Class and Section] in your esteemed school. I am writing this letter to inform you that I have been suffering from fever for the past couple of days. Despite my best efforts to recover quickly, my health condition has not improved as expected. I have been advised by the doctor to take complete bed rest and undergo a few medical tests.
