

Application for Arrangement of Drinking Water

1. Application for Arrangement of Drinking Water at School

To: The Principal, [School Name]

Subject: Application for Arrangement of Drinking Water at School

Respected Principal,

I am a student of [Class/Grade] at [School Name]. I am writing this application to kindly request for the arrangement of drinking water facilities at our school.

Currently, the availability of drinking water is limited, and students often face difficulties in getting access to clean and safe drinking water during school hours. It is important for our health and well-being to stay hydrated throughout the day, especially during hot weather.

Having a proper drinking water facility at school will not only help us stay healthy but also improve our focus and concentration in class. It will also save us time from having to search for water elsewhere.

I humbly request you to please consider this matter and provide us with a reliable source of drinking water within the school premises. Your support in this regard will be greatly appreciated by all the students.

Thank you for your attention to this request.

Yours sincerely,

[Your Name]

[Class/Grade]

2. Application for Emergency Drinking Water Supply During Natural Disasters

To: The Chief Minister of [State Name]

Subject: Application for Emergency Drinking Water Supply During Natural Disasters

Respected Sir/Madam,

I am writing to request urgent help for our community during times of natural disasters in our state. As we know, natural calamities like floods, cyclones, and droughts can disrupt our regular water supply, leaving us without safe drinking water.

During such difficult times, it becomes crucial to have access to clean drinking water to stay healthy and hydrated. Many families, especially children and elderly people, suffer due to the lack of safe water sources during emergencies.

I kindly urge the government to establish emergency water supply centers in our area to provide clean drinking water to all those affected by natural disasters. These centers will ensure that everyone in our community has access to safe water when our regular sources are not available.

Your prompt action in setting up emergency drinking water supply centers will greatly benefit our community during times of crisis and help us stay strong and healthy in the face of adversity.

Thank you for your attention to this important matter.

Yours sincerely,

[Your Name]

[Your Address]

3. Application for Installing Water Dispensers in the Community Park

To: The Park Management Team,

Subject: Application for Installing Water Dispensers in Our Community Park

Dear Sir/Madam,

I am writing to request the installation of water dispensers in our community park. As a resident of [Your Area Name], I believe having water available at the park is very important for everyone who visits.

Water dispensers would help keep us hydrated during playtime and picnics. They would also reduce the need for plastic bottles, helping our environment stay clean and green.

I kindly request your team to consider this proposal for the benefit of all park visitors, including children, families, and elderly individuals. The addition of water dispensers will make our park a more enjoyable and convenient place for everyone.

Thank you for your attention to this matter.

Sincerely,

[Your Name]

4. Application for Regular Water Delivery Service at Home

To: The Manager, [Water Delivery Company Name]

Subject: Application for Regular Water Delivery Service at Home

Dear Sir/Madam,

I am writing to request regular water delivery service for my home located at [Your Address]. We are a family of [Number of Family Members] members and require a reliable supply of clean drinking water for our daily needs.

Living in [Your City/Town], we often face challenges with the availability of safe drinking water. Hence, we believe that having regular water delivery will help us ensure that our family stays healthy and hydrated.

We request your assistance in delivering [Number of Water Cans/Bottles] of water on a [Frequency of Delivery - daily/weekly] basis to our doorstep. We are willing to pay the necessary charges as per your company's rates.

Kindly consider our request and provide us with the necessary information on how we can proceed with setting up the regular water delivery service at our home.

Thank you for your attention to this matter.

Sincerely,

[Your Name]

5. Application for Portable Water Filtration System for Outdoor Events

To: The Organizing Committee of Outdoor Events in India

Subject: Application for Portable Water Filtration System

Dear Committee Members,

I am writing to request the inclusion of a Portable Water Filtration System at outdoor events across India. This system will help provide clean and safe drinking water to all attendees, ensuring their health and well-being.

India often faces challenges with access to clean water, especially in outdoor settings where water sources may be limited or contaminated. By installing a Portable Water Filtration System, we can address this issue and promote good hygiene practices among event participants.

This system will work by removing impurities and harmful substances from water, making it safe for consumption. It will be easy to use and maintain, ensuring a seamless experience for all event attendees.

Providing clean water is essential for everyone's health, especially during outdoor events where staying hydrated is crucial. By implementing this system, we can create a safer and more enjoyable environment for all participants.

I kindly request your consideration and support in introducing a Portable Water Filtration System at outdoor events in India. Together, we can make a positive impact on the well-being of our communities.

Thank you for your attention to this matter.

Sincerely,

[Your Name]
