## **1. Application to Request Extra Bus Stops for School Route**

To,  
The Principal,  
[School Name],  
[School Address],  
[City, State, Pin Code]

Subject: Request for Extra Bus Stops on School Route

Respected Principal,

I am writing to request additional bus stops for our school route. As students, we find it difficult to reach school on time due to the limited number of bus stops available along the way.

Adding more bus stops will help students like me who live farther away from the school to reach on time without any rush or stress. It will also make the journey safer for all of us.

I kindly request your consideration in adding extra bus stops along the school route to make it more convenient for all the students who travel by bus.

Thank you for your attention to this matter.

Sincerely,

[Student's Name]  
[Class and Roll Number]

## **2. Application for School Bus Service Upgrade to Include Wi-Fi**

To: The School Principal

Subject: Application for School Bus Service Upgrade to Include Wi-Fi

Dear [Principal's Name],

I am writing to request an upgrade in our school bus service to include Wi-Fi. This will help students like me to use the internet for educational purposes during our bus rides to and from school.

Having Wi-Fi on the school bus will allow students to research information for projects, download study materials, and even complete homework assignments before reaching home. This will save us time and help us be more productive.

With the increasing use of technology in education, having Wi-Fi on the school bus will also help us stay connected with our teachers and classmates, enabling us to collaborate on group projects and stay updated on school announcements.

I believe that adding Wi-Fi to our school buses will enhance our learning experience and make our daily commute more efficient and enjoyable.

Thank you for considering this request.

Sincerely,

[Your Name]  
[Grade/Class]

### **3. Application for School Bus Service Extension to New Neighborhood**

To: The School Transport Committee,

Subject: Application for School Bus Service Extension to New Neighborhood

Dear Committee Members,

I am writing to request an extension of the school bus service to our new neighborhood, \_\_\_\_\_ (insert name of neighborhood), which is currently not

covered by the existing bus routes. Many students, including myself, residing in this area face difficulty in commuting to and from school due to the lack of transportation options.

Our neighborhood is located approximately \_\_\_\_\_ (mention distance) away from the school, making it challenging for students to travel safely and on time every day. With the addition of a school bus service to our area, it will ensure that all students have a convenient and secure mode of transportation for their daily school commute.

By extending the school bus service to our neighborhood, it will not only benefit the students but also promote punctuality, safety, and regular attendance among the school community. This initiative will also help reduce traffic congestion around the school premises during peak hours.

We kindly request the School Transport Committee to consider our application for the extension of the school bus service to our neighborhood. Your support in providing this essential service will greatly enhance the overall school experience for students residing in our area.

Thank you for your attention to this matter. We look forward to a positive response from the committee.

Yours sincerely,

(Name)  
(Student at \_\_\_\_\_ School)

[School Name]

Subject: Application for School Bus Service Reduction Due to Decreased Enrollment

Respected Principal,

I am [Your Name], a student of [Your Class], writing to request a reduction in the school bus service due to fewer students using the bus service.

As the number of students taking the school bus has decreased, it would be more efficient and cost-effective to reduce the number of bus routes. This will help in saving resources for our school and ensure that the remaining bus routes are more convenient for those who still need to use them.

I kindly request you to consider this application and make necessary adjustments to the bus service schedule. Thank you for your attention to this matter.

Yours sincerely,

[Your Name]
